Framing Prices

There are obviously many places you can purchase photo frames. Why purchase them from us directly?

- We help you through your selection and design choices to complement your prints and décor
- We exclusively use high quality materials and craftsmanship
- We're so confident in the quality of our framing, when you purchase our 'AI Select' or '100% Custom' frames for your prints we automatically extend a Lifetime Guarantee to the print and frame combination!*

'AI Select' Series Frames

*Designed exclusively for Ardent Images, custom-built for your print by local craftsmen;
 top-quality custom framing matched to Jeff's styles, at specially arranged prices!
 Letter codes correspond to framing samples on display at our studio, and include assembly.*

'100% Custom' Framing

*We can also coordinate a fully custom design and construction for you,
 based on your specifications and input -- literally thousands of combinations are available!*

'100% Custom' pricing is by estimate, and varies based on design complexity and materials selected.

* Lifetime replacement guarantee requires proper care and display of your print and frame; ask for details.
